

EnigMarch 2023-12: Tower

FIELD REPORT

SA 3319

When setting up our communications network, it is very important to consider the location of the towers. Please review the following recommended locations from our surveys and give me a ring.

Tower location	Rating	Notes
■■■■ ■■■	2	Windy
■■■■■ ■■■■	6	Sun - might come up with a new name later
■■■■■■■■■	3	Stars
■■■■■ ■■■■	9	Moon - be careful: near enemy territory; be sure it doesn't get captured!
■■■■■■■	7	By the Gap
■■■■■■■■■	8	By the lake
■■■■■■■■■■	2	Near the Havens
