

# KNOCK OUT

.....

*Hopefully, you won't be left beating the cage bars in frustration.*

No longer a child.

Mostly aquatic photosynthetic organisms, "pond scum".

Inexpensive or overly-stingy.

Mounds or ridges of sand formed by the wind.

Flexible tubes for transporting fluids.

US state whose capital is Boise.

Walk in formation with measured steps.

Mythological king with the golden touch.

Extent of variation or distance; or chain of mountains.

Paces, dance moves, or portions of a stairway.
